Profile **A dedicated professional in the fields of Film and Television Production, Media Management and Administration, Communications and Education.**

I have always been a passionate director/producer for film and television. Over the past 30 years however, my career took also a parallel path towards management, communication and teaching. I have served the industry as a professional in media management and administration, marketing and corporate communication – and at the same time in education, as an instructor/lecturer at various colleges and universities. I have worked in both the United States and Europe and I'm willing to relocate for a challenging opportunity.

Professional Experience Highlights

- **January 2023 - To Date: Head of Television Programs, CyBC, Nicosia**
Cyprus Broadcasting Corporation is the country's State Broadcaster and a member of the European Broadcasting Union. CyBC operates four channels (RIKHD, RIK1, RIK2 and RIKSat). As head of the television department I'm responsible for all content production and content acquisition for all four channels, apart from News, which is a separate department.
- **April 2001 - December 2022: Founder & Executive Director, Mediabox Ltd, Nicosia**
Co-founder and Executive Director of Mediabox Ltd, a new technologies company specialising in film and television productions, digital signage, interactive applications, corporate communication, communication analysis and design, marketing and public relations.
- **September 1986 – To Date: Instructor and Lecturer at Ithaca College (NY), Intercollege, 1010 Hall, KES College, and the Frederic Institute of Technology (Cyprus).**
Courses taught: TV Directing, Electronic Journalism, Introduction to Mass Media Communication, Video and TV Production, Creative Production, Corporate/Instructional video
- **September 1997 - October 1999: Creative and Post-Production Manager, Lumiere TV, Nicosia**
Responsible for the co-ordination of the company's daily production operations, which included production of television commercials, television programs, short and long feature films.
- **October 1994 - August 1997: Head of Television Directors, ANTENNA Television, Nicosia.**
Responsible for the co-ordination of the Television Directors' Department, the design of television productions, and the directorial supervision of all local productions.
- **April 1992 - October 1994: Head of Entertainment Programs, O LOGOS Television, Nicosia.**
Responsible for supervising and co-ordinating all local production of entertainment programs
- **February 1989 - November 1991: Head of Production Department, AVS Studios, Nicosia.**
Responsible for the daily operations as well as the production and direction of TV commercials, documentaries and corporate videos.
- **September 1986 - July 1988: Television Producer/Director, New York State**
Freelanced as a video consultant, video and multi-image producer/director for various companies and production houses in New York State.
- **January - June 1988: Designer of Training Programs, OmniComm Associates, Ithaca, NY**
Part of the team responsible for the instructional design, development/testing and delivery of Computer-Based Training and Interactive Video programs on IBM and Apple computers.

- **November 1985 - May 1986: Promotions Producer, WICB-TV Channel 13, Ithaca, New York**
Responsible for the development of the on-air look, production and post-production of the Station's promotional videos.
- **January 1985 - September 1985: TV Journalist, WTEN-TV Channel 10, Albany, New York**
Part of the production team for the "six o'clock news".
